Happy New Year!

The Clairemont High School Foundation has become an essential support tool in maintaining all the enrichment programs and activities at Clairemont High School.

We are now requesting your support for our Spring Fling Fundraiser.

The Foundation is devoted to funding grants to all of the academic, artistic and athletic organizations on our campus, providing for things unfunded by the school district. We help the band, drill team, ASB and drama departments. We support our student leaders, journalist, public speakers and spirit teams and provide scholarships to students.

Our success is due to the active donations and support from people and organizations in our community, like you! We are thankful for your support of our children, who will one day, like their families, support you - our greater community. We want to continue to create opportunities for our students to grow, and participate in important activities, and multiply our successes going forward.

We are looking for product donations, gift certificates for services, cash donations for our auction, event and raffle. In appreciation of your sponsorship of \$100 or more, we would be happy to place your logo/business card on our website, and recognize you/your business throughout the school year, *to celebrate your participation in our community!* With a \$500 sponsorship, we will add a shout out to our school marquee and add your business logo and link to our website. All donations of \$100 or more will receive one entry per \$100 to our Spring Fling on April 13th – a fun night of music, food and community building.

Please feel free to contact me if you have any questions about our Foundation or visit our website at chsfoundation.info. Thank you for considering supporting Clairemont High School Foundation!

We can do this with the support of our community – YOU!

Sincerely,

Colleen Kleege
President, Clairemont High School Foundation
