

The Chieftain Pledge-Student Enrichment Campaign

What is the Chieftain Pledge?

The Pledge is an effort of the Clairemont High School Foundation to raise funds for enrichment plans for our school.

Why a Campaign?

The Clairemont High School Foundation serves to improve CHS students' educational, college preparedness, student development needs and experiences. Raising funds allows us to keep each and every dollar contributed right here at CHS, raising more funds for our students needs.

Where Does the Money Go?

The Clairemont High School Foundation was established to provide additional resources for Clairemont High School to support programs such as technology, theatre arts (support), scholarships, athletics, and our Presidents Museum.

How can my Business support our local High School?

The campaign has established the following business donor levels:

PLATINUM: \$500.00	GOLD: \$300.00	SILVER: \$150.00
