

BEHAVIOR CONTRACT AND WAIVER FOR 2022 DISNEY'S CALIFORNIA ADVENTURE GRAD NITE EVENT

As a senior student/parent of a senior student in good standing (academic and citizenship GPA's of 2.0 as of June 1), I agree to the following to ensure safety and fun for all:

- I would like to participate in the Clairemont High Foundation sponsored activity at Disney's California Adventure park from 8:00 a.m. Friday June 17th through approximately 5:00 a.m. Saturday, June 18th 2022.
- I agree to adhere to all rules and regulations listed below and understand that failure to follow the rules or behave as an excellent representative of my senior class will result in my removal from the activity and forfeiture of all money paid.
- CHS Foundation and all adult chaperones reserve the right to refuse participation to any student who is found to have broken any of the following rules: including, but not limited to, fighting, suspensions, vandalism, or bringing alcohol, drugs, vaping devices or weapons to the school campus, on the bus, or to Disney's California Adventure park. **Behavior problems between now and the date of the Disney activity may result in my removal from the activity and forfeiture of all money paid.**
- Anyone found to be or suspected of being under the influence of alcohol or any other controlled substance will not be allowed to board the bus to California Adventure park and will be sent home with parents. Participants are rechecked by California Adventure park staff prior to entering the park and may be refused entrance. (Students who are refused entrance will be escorted to a holding area and parents will be notified to come to California Adventure to pick them up – they will not be allowed to ride the bus back). California Adventure entrance screening includes bag checks and the use of drug-sniffing canines. If bag searches and/or drug-sniffing canines indicate the presence of marijuana (or any of its derivatives including marijuana enriched products) or any illegal narcotics/substance or alcohol, the student will be subject to additional screening.
- California Adventure park will not allow food or drink (including sealed water bottles) to be brought into the parks, so please plan to bring money for food and drink purchases. Additionally, the following items are not allowed to be brought into California Adventure and should not be brought on the trip: alcohol, illegal narcotics/substances, marijuana or any of its derivatives (even if legally prescribed), self-defense or restraining devices (pepper spray, mace, etc.), glass containers of any kind (including perfume/cologne bottles or reusable water bottles), firearms, weapons, ammunition, fireworks or other similarly explosive devices, laser pointers, smoking/vaping/electronic cigarettes, selfie sticks. If in doubt, don't bring it!
- At the end of the event, students must arrive at the departure site for the buses promptly.
- **Students must have their school ID to board the bus.**
- Large backpacks or large bags of any kind will not be allowed into California Adventure park.
- All carry-on items and clothing are subject to search prior to boarding the bus.
- Written information about any medications needed during the trip must be provided to the bus chaperones. Medications should be in **clearly labeled, original containers** and will be held by chaperones upon entrance and returned once in the park. Students may carry inhalers.
- There is no smoking/vaping at California Adventure or on the buses.
- Any item that could be used as a weapon is forbidden and will be confiscated and discarded.
- Students must travel to and from the Disney activity on the CHS Foundation chartered bus.

I assume the risk in my student's participation in the event. I acknowledge that I will not seek to have the Clairemont High Foundation and its volunteers held liable in the event that any accident, injury, loss of property or any other circumstance or incident occurs during or as a result of my student's participation in this trip. This release of liability includes accident, injury or loss, or damages to the students, as well as to other individuals or property, which may result from the student's participation in the event. I hereby release and agree to hold harmless the San Diego Unified School District, the Clairemont High Foundation and the volunteer chaperones from any claims arising out of my son's/daughter's participation in the event.
