

2019

Dear _____ ,

On December 13, 2019, the Clairemont High School Foundation with the help of CHS ASB will be hosting a school wide "Winter Rocks!" event. My classmates and I will be given the opportunity to participate in a FUNdraiser on the school's track. This event will give us the chance to bond and help each other in a friendly cooperative competition, emphasizing the value of community and family support of Clairemont High School students and education.

If you would like to support me in this event, please go to CHSfoundation.info for more information and to make a donation. **With my first \$25 I will receive a chieftain magnet and 1 raffle ticket entry** for a prize. For every additional \$25 donation I will receive another raffle ticket. You may also donate with cash or check (made out to Clairemont High Foundation, please add student's name and grade in the memo). Donations can also be given to Heidi Fulton in the front office. Donations received before 9pm on December 12th will be tallied to determine which grade collected the most money and wins a pizza party!

Thank you for your support!

Sincerely,

Brought to you by
